## **26 Tips for Surviving in the Desert - DesertUSA**

A Guide for Desert and Dryland  
Restoration is the first comprehensive  
book focused on restoring arid regions,  
and clearly demonstrates that arid lands  
can be successfully rehabilitated. In  
addition to restorationists, the book will  
be an invaluable resource for anyone  
working in arid lands, including farmers,  
ranchers, gardeners, landscapers,  
outdoor recreation professionals, and  
activists.

game, you can build your base and build your own empire, as well as work in team with other real players ...

### **Desert Order - Real Time Strategy Game**

If you have to walk through the desert, only try and do so during the night if you can. This will reduce the chances of you becoming dehydrated, and will save your body around three litres of water per day. During the day, you should try and stay in any shelter you have to stay away from the hot sun.
