An autobiography in the form of a novel, ACID ALEX chronicles Al Lovejoy's story of his life as a child in reform school, conscript, prisoner, international drug smuggler and addict. Al was born in 1963 in a "beautiful bitter country once called Rhodesia." He never knew who his parents were but to outward appearances, he was a white baby.

Alexis Colard was born in Belfort France, close to Germany and Switzerland. As an imaginative kid from a small town, he was always wondering around, creating art projects from whatever inspiration he could find. From the German bunkers taken over by nature, to the ride trips on motorcycles in the hills, or spending hours whatching English-speaking movies and TV shows on the computer, playing ...

Al Lovejoy's life has calmed down. So much so, he's been able to write a book about it. To say it was hectic is an understatement. That's if you credit everything you read – because Acid Alex is about an unhinged existence that practically beggars belief.. It's a roller-coaster journey from orphanage to reformatory, from Pretoria Central Prison to Angola at war, and from there to ...
