By the Bed When you've no nightstand to speak of—or you simply want to mix things up—try stacking a dozen or so large-format books to create an impromptu bedside table. This technique also works well for creating a low-slung drinks table (top the stack with a tray to protect the book covers) that you can place beside a sofa or a chair.

People, how is your nurse bedside manner? A good nurse-client relationship is essential in ensuring quality patient care. Therapeutic communication is the key to achieving this and a nurse's soft skills are important in making it possible. Although the patient's sociocultural and psychological well-being are critical considerations in proper bedside manner, there are helpful conversation ...
