How can human service professionals promote change? ... The cases in this book are inspired by real situations and are designed to encourage the reader to get low cost and fast access of books.

**Gardner Denver Electra Saver II**  
Founded on slow-speed, 1800 rpm design principles the new Electra Saver II G2 40-60 hp compressors feature super-sized bearings and up to 40 percent larger airends than the competition. The larger airends, running at slower speeds, maximize efficiency and reduce wear and tear, while the permanent alignment of the airend and motor ensure maximum coupling and bearing life.
