In Harare North Brian Chikwava introduces us to a wholly original voice emanating out of a South London squat. The nameless Zimbabwean narrator is recently arrived from Harare, with a questionable past involvement as one of President Mugabe's youthful thugs, clutching a briefcase - the contents of which are not fully revealed until the end of the novel.

Harare North's narrator has a compelling voice, a slightly twisted English entirely appropriate to his story. The story itself is a bit thin, and devolves too easily by the end into completely squalid catastrophe -- but then that is an accurate reflection of the state of Zimbabwe itself.
