After you register at Book Lending (which is free) you'll have the ability to borrow books that other individuals are loaning or to loan one of your Kindle books. You can search through the titles, browse through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone.

## **Java A Beginner's Guide**

Like many Java textbooks, the book is not really written for the non-programmer. (That does not mean it can't be used as a text in a class for beginners-- but the students would have to rely on faculty lectures to provide the "how-to-program" basics.) Its strengths are its clarity and its comprehensiveness in topic coverage.
