Making Europe: People, Politics, and Culture by Frank L ...

History of Europe - History of Europe - Reform and reaction in eastern Europe: Political patterns in Spain, the smaller nations of southeastern Europe, and, above all, Russia followed a rather different rhythm. Parliamentary institutions were installed in some cases after 1900, but these were carefully controlled. Censorship severely limited political expression.

European politics | European History, Politics, and Society

European political groups are beginning to realign ahead of the Parliament election. National political figures such as Italy's Matteo Salvini, and new parties such as Emmanuel Macron's La République En Marche, are searching for new homes or to build new alliances. Brexit will see 73 British MEPs pack their bags and leave Brussels.

Understanding Europe's political party groups - POLITICO

The European People's Party (EPP) is a European political party with Christian-democratic, conservative and liberal-conservative member parties. A transnational organisation, it is composed of other political parties, not individuals. Founded by primarily Christian-democratic parties in 1976, it has since broadened its membership to include liberal-conservative parties and parties with other ...

European People's Party - Wikipedia

The politics of the European Union are different from other organisations and states due to the unique nature of the European Union. The EU is similar to a confederation, where many policy areas are federalised into common institutions capable of making law; however the EU does not, unlike most states, control foreign policy, defence policy or the majority of direct taxation policies. These areas are primarily under the control of the EU's member states although a certain amount of structured co

People make decisions about many things. They make political decisions; personal decisions, including medical choices, romantic decisions, and career decisions; and financial decisions, which may also include some of the other kinds of decisions and judgments. Quite often, the decision making process is fairly specific to the decision being made.
