New Holland User Manuals Download | ManualsLib

The 1431 would be my recommendation. Regarding the previous post, New Holland now has shear protection known as "Shock Pro" which protects the driveline. There is not any major parts required to add the protection, the hub that connects the disc to the driveshaft is replaced and there is a compression washer that is added.

New Holland makes it easy to reach the cutting discs and drive components on every Discbine disc mower-conditioner. Access is even easier on the center-pivot Discbine 313 and 316. Poly bifold upper shields are light, foldable and easy to lift, and they're more impact-resistant to dents from foreign objects.
