## **Philosophical Fragments - Wikipedia**

In Philosophical Fragments he begins with Greek Platonic philosophy, exploring the implications of venturing beyond the Socratic understanding of truth acquired through recollection to the Christian experience of acquiring truth through grace. Published in 1844 and not originally planned to appear under the pseudonym Climacus, the book varies in tone and substance from the other works so attributed, but it is dialectically related to them, as well as to the other pseudonymous writings.

Johannes Climacus, the second work here, was written first, and not finished. The point is fairly clear, nonetheless: it's meant to be a practical refutation of the idea that philosophy should 'begin with doubt.' In vulgar historical terms, Descartes decided that that was how philosophy should be done;
